

**Order amending Notice F from the Danish Maritime Authority,
technical regulation on the construction, equipment, etc.
of small commercial vessels**

Section 1

In order no. 1460 of 14 December 2010 on Notice F from the Danish Maritime Authority, technical regulation on the construction and equipment, etc. of small commercial vessels, the following amendment shall be made:

1. After *chapter I, regulation 6, paragraph 5.2.4*, the following shall be inserted:

“**5.2.5** For all vessels used for purposes other than fishing, the surveys stipulated in paragraphs 5.2.1-5.2.4 or surveys pursuant to special provisions in force for these types of vessels as stipulated in regulation 1(3) shall also include an inspection of the provisions on seafarers’ working and living conditions. The inspection shall as a minimum cover the areas considered relevant and practicable on board the ship according to the Danish Maritime Authority’s assessment. The assessment shall include provisions on seafarers’ working and living conditions, including minimum age, medical certificates, the seafarers’ qualifications, employment contracts, the use of authorised or certified or regulated recruitment and placement services, hours of rest, the ship’s manning, working and accommodation spaces, onboard recreational facilities, food and catering, protection of health and safety as well as prevention of accidents, onboard medical treatment, onboard complaint procedures and payment of wages.”

Section 2

Subsection 1. This order shall enter into force on 20 August 2013.

Subsection 2. This order shall not apply to Greenland.
