

To Whom It May Concern

It is hereby declared, that since March 2018, it is no longer possible to register pleasure crafts with a gross tonnage less than 20 in Denmark. Consequently, we do not issue a certificate of nationality to such crafts notified for registration after March 2018.

However, private, Danish yachtsman organizations may issue "certificates of nationality" to their members.

The Danish Maritime Authority can confirm that owners of pleasure crafts, not registered in any ship register and with a gross tonnage less than 20 are entitled to fly Danish flag subject to:

- 1) The owner is a Danish citizen, or
- 2) The owner is an entity established pursuant to Danish law or registered as a Danish legal entity, or
- 3) The owner is a citizen of an EU/EEC country, who is or has been working in Denmark with legal home address in Denmark or is or has been established in Denmark according to articles 45 or 49 in the Treaty on the Functioning of the European Union.

Yours sincerely
